

COMMON TOKEN AIRDROP TERMS

Last Revised on October 7th, 2025

1. Introduction. Welcome to the Token Airdrop Terms (these “**Airdrop Terms**”) for the Common token airdrop (the “**Airdrop**”) organized and made available by Common Found (BVI) Limited, a company incorporated in the British Virgin Islands (“**Organization**”, “**we**” or “**us**”) through an interface provided by Cow Moon Wealth Software, Inc. (the “**DevCo**”). These Airdrop Terms govern your ability to participate in the Airdrop. Please read these Airdrop Terms carefully, as they include important information about your legal rights. By participating in the Airdrop in any way, including by connecting a Wallet (defined below) to the website on or through which these Airdrop Terms are linked (“**Airdrop Site**”) or claiming any tokens made available by us through the Airdrop (“**Airdrop Tokens**”), you are agreeing to these Airdrop Terms. If you do not understand or agree to these Airdrop Terms, please do not participate in the Airdrop. For purposes of these Airdrop Terms, “you” and “your” means you as the participant in the Airdrop. If you participate in the Airdrop or otherwise claim Airdrop Tokens on behalf of a company or other entity then “you” includes you and that entity, and you represent and warrant that (a) you are an authorized representative of the entity with the authority to bind the entity to these Airdrop Terms, and (b) you agree to these Airdrop Terms on the entity’s behalf.
2. Participation. To participate in the Airdrop, you will need to connect a compatible third-party digital wallet (“**Wallet**”) to the Airdrop Site. By connecting a Wallet, you agree that you are using the Wallet under and in accordance with the terms and conditions of the applicable third-party provider of such Wallet. Wallets are not associated with, maintained by, supported by or affiliated with the Organization. We accept no responsibility or liability to you in connection with your use of a Wallet, and we make no representations or warranties regarding how any specific Wallet will operate in connection with the Airdrop or be compatible to participate in the Airdrop. *The private keys necessary to access the assets held in a Wallet are not held by the Organization or the DevCo. The Organization and DevCo have no ability to help you access or recover your private keys and/or seed phrases for your Wallet. You are solely responsible for maintaining the confidentiality of your private keys and you are responsible for any transactions signed with your private keys.* The Organization reserves the right, in its sole discretion, to determine the number of Airdrop Tokens allocated to each participant, the eligibility criteria, and the conditions under which Airdrop Tokens are distributed. The Organization may modify, suspend, or terminate the Airdrop, in whole or in part, at any time without notice or liability.
3. Eligibility. We reserve the right in our sole discretion to determine whether any actual or potential participant in the Airdrop is eligible to participate in the Airdrop or otherwise access the Airdrop Site. You are not eligible to participate in the Airdrop if you are located in, or a resident of China; if you are a Prohibited Person (as defined below); if you breach any provision of these Airdrop Terms; or if we otherwise determine in our sole discretion that you are ineligible. Any such circumvention, or attempted circumvention, may permanently disqualify you from participation in the Airdrop in our discretion. A “**Prohibited Person**” is any person or entity (whether or not formally incorporated or registered) that is (a) the subject of any economic or

trade sanctions administered or enforced by any governmental authority, including being designated on any list of prohibited or restricted parties by any governmental authority, such as the U.S. Treasury Department's list of Specially Designated Nationals, the U.S. Department of Commerce Denied Persons List Entity List, the E.U. Consolidated List of persons and the U.K. Consolidated List of Financial Sanctions Targets, (b) located in, a resident of, or organized in any jurisdiction or territory that is the subject of comprehensive country-wide or regional economic sanctions or has been designated as "terrorist supporting" by the United Nations or the governmental authority of the European Union, United Kingdom or the United States, or (c) owned or controlled, directly or indirectly, by any persons or entities listed in (a)-(b).

4. We reserve the right, in our sole discretion and at any time, to require you to undergo verification procedures, including but not limited to know-your-customer (KYC) and anti-money laundering (AML) checks, in connection with your participation in the Airdrop. You agree to provide accurate, complete, and current information as reasonably requested for compliance purposes, and to promptly update any such information if it becomes outdated. Failure to comply with any verification or eligibility requirements may result in our refusal to permit your participation in the Airdrop or the withholding or revocation of any Airdrop Tokens.

IF THESE LAWS APPLY TO YOU, SOME OR ALL OF THE ABOVE DISCLAIMERS, EXCLUSIONS, OR LIMITATIONS MAY NOT APPLY TO YOU, AND YOU MAY HAVE ADDITIONAL RIGHTS.

THE ORGANIZATION ENTITIES' TOTAL LIABILITY TO YOU FOR ANY DAMAGES FINALLY AWARDED SHALL NOT EXCEED ONE HUNDRED DOLLARS (\$100.00). 7.4. All information provided through the Airdrop Site, or otherwise provided by the DevCo or the Organization in connection therewith, is for informational purposes only and should not be construed as professional advice. You should not take, or refrain from taking, any action based on any information contained on the Airdrop Site or obtained in connection with the Airdrop. Before you make any financial, legal, tax or other decisions involving the Airdrop, you should seek independent professional advice from an individual who is licensed and qualified in the area for which such advice would be appropriate. These Airdrop Terms are not intended to, and do not, create or impose any fiduciary duties on us. To the fullest extent permitted by law, you acknowledge and agree that we owe no fiduciary duties or liabilities to you or any other party, and that to the extent any such duties or liabilities may exist at law or in equity, those duties and liabilities are hereby irrevocably disclaimed, waived, and eliminated. You further agree that the only duties and obligations that we owe you are those set out expressly in these Airdrop Terms.

8. Assumption of Risks.

8.1. By participating in the Airdrop, you represent that you have sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain technologies, cryptocurrencies and other digital assets, storage mechanisms (such as Wallets), and blockchain-based software systems to be able to assess and evaluate the risks and benefits of participating in the Airdrop. You acknowledge and agree that there are risks associated with purchasing,

receiving, and holding cryptocurrency (including without limitation Airdrop Tokens) and using blockchain technology. These include, but are not limited to, risk of losing access to cryptocurrency due to slashing, loss of private key(s), custodial error or purchaser error; risk of mining or blockchain attacks; risk of hacking and security weaknesses; risk of unfavorable regulatory intervention in one or more jurisdictions, risk related to token taxation; risk of personal information disclosure; risk of uninsured losses; volatility risks; and unanticipated risks.

8.2. You agree and acknowledge that if you are unable to claim Airdrop Tokens, whether due to technical bugs, smart contract issue, gas fees, wallet incompatibility, loss of access to a wallet or the keys thereto, or for any other reason, you will have no recourse or claim against Organization Entities and that the Organization Entities will not bear any liability in connection therewith.

8.3. You agree and acknowledge that claiming Airdrop Tokens may require reliance on or an integration with third party products (e.g., a Wallet or an unaffiliated network or blockchain) that we do not control. In the event that you are unable to access such products or integrations, or if they fail for any reason, and therefore you are unable to participate in an Airdrop or claim Airdrop Tokens, you will have no recourse or claim against any Organization Entities and that the Organization Entities will not bear any liability in connection therewith. We are not responsible for any losses due to your errors, including an incorrectly constructed transaction.

8.4. You agree and acknowledge that the regulatory regime governing blockchain technologies, cryptocurrencies and other digital assets is uncertain, that new regulations or policies may materially adversely affect the potential utility or value of such cryptocurrencies and digital assets, and that there may be risks of new taxation related or applicable to the purchase, receipt, sale, or other disposition of cryptocurrencies and other digital assets, in each case including without limitation as applicable to Airdrop Tokens.

8.5. You agree and acknowledge that we cannot and do not control how third-party exchange platforms quote or value cryptocurrencies and other digital assets, including without limitation any Airdrop Tokens, and we expressly deny and disclaim any liability to you for or in connection with any losses you may incur as a result of fluctuations in the value of cryptocurrencies or other digital assets.

8.6. You agree and acknowledge that your use of the Airdrop Token in connection with any software application, protocol, or other service or technology (including without limitation any Wallet) is solely at your own risk, and the Organization Entities disclaim all responsibility and liability for such use.

8.7. You agree and acknowledge that cryptocurrencies and other similar digital assets are neither (a) deposits of or guaranteed by any bank nor (b) insured by the FDIC or by any other governmental agency or regulated entity.

9. Indemnification. By entering into these Airdrop Terms or otherwise participating in the Airdrop, you agree that you shall indemnify and hold harmless (and, at the Organization Entities' election, defend) the Organization Entities from and against any and all claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) incurred by the Organization Entities arising out of or in

connection with your violation or breach of any term of these Airdrop Terms or any applicable law or regulation. If you are obligated to indemnify any Organization Entity hereunder, then you agree that the Organization (or, at its discretion, the applicable Organization Entity) will have the right, in its sole discretion, to control any action or proceeding and to determine whether the Organization wishes to settle, and if so, on what terms, and you agree to fully cooperate with the Organization in the defense or settlement of such claim.

10. Dispute Resolution and Arbitration. Any dispute, claim, or controversy arising out of or relating to these Airdrop Terms, the Airdrop, or any Airdrop Tokens (each, a “Dispute”) shall be resolved as follows:

10.1. The parties shall first attempt in good faith to resolve any Dispute promptly by negotiation. If the Dispute cannot be resolved through negotiation within thirty (30) days of written notice by one party to the other of the existence of the Dispute, either party may refer the Dispute to binding arbitration as set out below.

10.2. Any Dispute which is not resolved by negotiation shall be finally resolved by binding arbitration administered by the London Court of International Arbitration (LCIA) in accordance with its rules then in effect, which rules are deemed to be incorporated by reference into this clause. The seat of arbitration shall be the British Virgin Islands, or if the BVI is not reasonably convenient for both parties, such other location as the parties may mutually agree. The language of the arbitration shall be English. The arbitration shall be conducted by a sole arbitrator appointed in accordance with the applicable rules.

10.3. To the fullest extent permitted by law, each party agrees that any arbitration shall be conducted only on an individual basis and not as a class, collective, or representative action. The arbitrator shall not consolidate or join the claims of more than one person or party, nor preside over any form of a representative or class proceeding.

10.4. Nothing in this clause shall prevent either party from seeking interim, injunctive, or other equitable relief in a court of competent jurisdiction, where such relief is necessary to protect that party’s rights pending resolution of the Dispute by arbitration.

10.5. Each party shall bear its own legal fees and costs in connection with the arbitration, unless the arbitrator determines that such fees and costs should be awarded to the prevailing party in the interests of justice.

10.6. The existence and content of the arbitration proceedings, including all submissions, correspondence, evidence, and awards, shall be kept confidential by the parties and the arbitrator, except as may be required by law or for the purposes of enforcement of any award.

10.7. This dispute resolution clause shall survive the termination or expiration of these Airdrop Terms.

11. Miscellaneous. All content, trademarks, service marks, trade names, logos, and other intellectual property rights on or related to the Airdrop Site (excluding third-party trademarks and intellectual property) are owned or licensed by the Organisation or its

affiliates. You are granted a limited, non-exclusive, non-transferable, revocable licence to access and use the Airdrop Site solely for the purpose of participating in the Airdrop. You may not modify, reproduce, distribute, create derivative works of, publicly display, or otherwise exploit any content, features, or functionality of the Airdrop Site without our prior written consent. Nothing in these Airdrop Terms shall otherwise be construed to transfer any intellectual property rights from the Organization or the DevCo to you. These Airdrop Terms contain the entire agreement between you and the Organization regarding the Airdrop, and supersede all prior and contemporaneous understandings between the parties regarding the Airdrop. We may modify these Airdrop Terms from time to time in which case we will update the "Last Revised" date at the top of these Airdrop Terms. The updated Airdrop Terms will be effective as of the time of posting, or such later date as may be specified in the updated Airdrop Terms. Your continued access to or participation in the Airdrop after the modifications have become effective will be deemed to be your acceptance of the modified Airdrop Terms. These Airdrop Terms may be assigned by the Organization but may not be assigned by you without our prior express written consent. No waiver by either party of any breach or default hereunder shall be deemed to be a waiver of any preceding or subsequent breach or default. If any provision of these Airdrop Terms shall be unlawful, void or for any reason unenforceable, then that provision shall be deemed severable from these Airdrop Terms and shall not affect the validity and enforceability of any remaining provisions. The provisions of these Airdrop Terms relating to disclaimers, limitation of liability, indemnification, dispute resolution, and any other provisions which by their nature should survive, shall survive any termination or expiration of these Airdrop Terms.

12. Governing Law. These Airdrop Terms and any dispute or claim arising out of or in connection with them or their subject matter or formation shall be governed by and construed in accordance with the laws of the British Virgin Islands.
